SHANAH TOVAH 5780!

We are pleased to invite you to celebrate the High Holidays this year with the CJL. Here is the information needed to secure tickets for our services. To ensure the security of all service attendees, all non-student attendees must have a ticket and be on our pre-registered list.

While there is no required contribution, making a donation to the CJL at this time enables us to cover the cost of our High Holiday services, as well as provide the resources for dozens of programs to enrich Jewish life a Princeton throughout the coming year. We hope you will choose to support our activities at the start of our New Year, and thank you for your consideration.

You may secure your High Holiday tickets in one of the following ways:

• To secure tickets and make a contribution, use our secure Online Donation Form and fill out the ticket information on the second page. OR print the reply form below and send it to the Center for Jewish Life, 70 Washington Road, Princeton, NJ 08540 or via campus mail.

• For tickets only: return the reply form below with your ticket request marked or send an email to sjohanes@princeton.edu with information on which services you want to attend (Conservative, Orthodox, Reform), the number of adult tickets and youth (college-aged or younger) tickets you need, and where you want them sent.

• If you are a family member of a current student, the student may stop by our office to request and pick up tickets for you.

Tickets will be mailed for requests received by Monday, September 23rd. After that date, you will need to check-in at your service and receive your ticket.

PLEASE NOTE: Children at Services
Children MUST be accompanied by an adult at all times during services at any location. A room is available downstairs in Alexander Hall for parents to sit with their children if they cannot sit through services, but children are NOT to be left there without an adult supervising them. Children must be supervised in Nassau Presbyterian Church and the Center for Jewish Life and are not to be left to wander in the corridors or other areas. They must be accompanied by an adult at all times.
YES! I want to inspire Princeton students to help secure our Jewish future.
